#### **The Tonino Lamborghini Lifestyle lands in South Yarra**

Melbourne's coffee-lovers can now experience the Tonino Lamborghini Lifestyle, and enjoy Tonino Lamborghini Caffè (*caffè* is Italian for coffee) at **Le Petit Français in Toorak Road, South Yarra.**

*Tonino Lamborghini coffee?* Following in the footsteps of his father, the great Ferruccio Lamborghini (of luxury car fame), Tonino Lamborghini established a world of exclusive, yet accessible luxury. Tonino Lamborghini was one of the first Italian lifestyle brands to extend his collection from fashion and accessories to coffee and gourmet food in the 1990s. The "Tonino Lamborghini lifestyle" has consolidated itself in an expression of "accessible luxury" all around the world. Well-known in Europe as a leading gourmet product, Tonino Lamborghini Caffè is now heading 'down under'.

Tonino Lamborghini Caffè embodies the perfection expected of all products bearing the Tonino Lamborghini name. A unique combination of exceptional quality beans and strict quality controls makes the café and restaurant blend a favourite for the most discerning coffee connoisseurs, with a creamy taste and rich body, full of the flavour of real Italian Espresso.

Le Petit Français is the first café in South Yarra to stock Tonino Lamborghini Caffè. (A limited roll out to exclusive locations is planned.) In this authentic French crêperie, customers can enjoy a superb coffee made by Anthony.

Anthony and Penelope recently took over Le Petit Français, and offer everyday French food, culture and lifestyle at a reasonable price, with an emphasis on quality and fresh ingredients. The menu also includes French wines, ciders and other beverages, which can be enjoyed with a hot savoury or sweet crêpe, in a warm, cosy atmosphere. "Our galettes (savoury crêpes) are made with an authentic recipe using buckwheat flour, making them a gluten-free and dairy-free meal that is also very filling and healthy" says Anthony.

Anthony Kaouah comes from a small country town next to the border to Switzerland in the Ain region in the east of France. His family has been in the restaurant business for over 20 years. His partner, Penelope is a Melbourne girl whose family has been in the catering business for over 20 years. Together, Anthony and Penelope have long dreamt of establishing a real French crêperie in Melbourne, offering a taste of the delicious simplicity of authentic French crêpes. After a long journey with many detours, they have finally realized their dream.

Visit them at Le Petit Français at 307 Toorak Road, South Yarra, to taste real French crêpes and Tonino Lamborghini Caffè.
